Inspirational Quote:

To repent is to come to your senses. It is not so much something you do as something that happens. True repentance spends less time looking at the past and saying, "I'm sorry," than to the future and saying, "Wow!"

Notices

Annual Reports: A reminder to everyone who is the chair of any parish organisation or committee that we need your annual reports to be written (preferably typed) and in to Liz Mahoney by the end of January. Treasurers, we need your financial reports at the same time please.

Parish Council: We will be electing a new secretary and 3 or 4 new members of parish council this year. Plus a treasurer, but Wendy has agreed to continue, if you are willing to re-elect her. Please pray and see if God might be calling you to this sort of leadership role in the church.

Camera: If anyone is wishing they could be one of the people here today, at the service, there is one way you could be: you could learn how to use the camera. We could use some more people to be trained in how to do the livestream in case Donnie and Allen are both away some day. Let me know if you're interested.

PAR and E-Transfer: A reminder that the parish is accepting both PAR (Pre-Authorized Remittance, which comes directly from your bank account monthly) and E-Transfers (sent to emmanuelchurch@eastlink.ca). These are both easier for you than driving to the church from time to time and they keep our cash flow up. They are also easier on our counters so they spend less time and are kept safer. Thanks for considering it.

Roof Fund: We are still accepting donations towards paying for the roof. The new roof (which seems to be working well!) cost a bit over \$13,000. To date, we have raised about \$4025, including the proceeds of the basket

raffle, so we'd be very happy to have a few more contributions to this. We do have investments and we have paid the bill out of those investments. We are much more fortunate than many churches in that respect. But we don't want to use them up too quickly and leave ourselves with nothing to fall back on. Thanks.
