Inspirational Quote

Encouragement is a need we all have; encouragement is a power we all have. Unleash that power. You have within your heart an almost endless supply of encouragement for other people. Practice it! Even if you are running short on receiving encouragement, practice encouragement, and you will reap what you sow. Br. Curtis Almquist, SSJE

Notices

Annual Reports and Financial Reports: We're at that time of the year again when we need the chairs of all the committees and church groups of any kind to write their annual reports and also to submit their annual financial reports. Ideally, we would have these by the beginning of February (ie next week). Thanks.

Parish Council Elections: Just a heads up that at our Annual General Meeting this year (Feb. 25), we need to elect at least 1 and preferably 2 wardens and 3-4 members at large. Please pray about this and consider whether God may be calling you (or someone you can think of) to serve in these roles.

Cultural Awareness Workshop: We have all been raised within a specific culture, and that upbringing colours the way we think and the way we act. Come explore the ways culture influences our thoughts, beliefs, and interactions with others. This will be an interactive session with lots of time to share experiences and ask questions. We will be offering this workshop on Wednesday, January 31, from 10:30-12:00, in the lower hall. Our leader is Anne Kelly, a retired teacher, who worked with adults from diverse cultures for more than twenty years. She has presented numerous workshops on working with newcomers to Canada to language teachers, volunteer tutors and other community organizations. She loves to share her experiences and is passionate about her work.
